

V.1.0 - 122024

## The PeopleLink UVC 20B

**The PeopleLink UVC20B** is an advanced conference speakerphone designed for meeting rooms, personal offices, and remote learning environments. Its cutting-edge audio technology ensures clear, smooth sound quality by effectively eliminating reverberation and noise. With a full-duplex 16KHz audio system and a 360-degree sound pickup range of 4 meters, it adapts seamlessly to various video conferencing platforms and unified communication systems. The UVC20B can be easily connected via USB or Bluetooth, offering exceptional flexibility and portability for remote collaboration

## Key Features

### Advanced Audio Technology:

Full-duplex echo cancellation, dynamic noise suppression, and automatic gain control ensure crystal-clear sound quality.

### 360-Degree Microphone Pickup:

Omnidirectional microphone with a 4-meter sound pickup range, ideal for small meeting rooms and personal offices.

### Seamless Connectivity:

USB plug-and-play and Bluetooth support with a 10-meter range for effortless conferencing on multiple devices.

### Compact & Portable Design:

Lightweight with a built-in 1000mAh battery offering 15days stand-by-time and up to 4 hours of talk time, perfect for mobile conferencing and remote teaching.

## General Specifications

### Audio Technology

- Full-duplex echo cancellation
- Dynamic noise suppression
- Automatic gain control
- Deep echo cancellation
- Microphone frequency response : 100Hz – 8KHz
- Speaker frequency response : 100Hz – 22KHz
- Speaker volume : Up to 90dB

### Microphone & Pickup

- 360-degree omnidirectional microphone
- Sound pickup range : 4 meters

### Connectivity

- Bluetooth version : 5.0
- Bluetooth-enabled (Range: 10 meters)
- USB plug-and-play interface
- 3.5mm headphone jack for private communication

### Network Interface

- USB interface x 1
- 3.5mm headphone jack x 1

### Power

- Built-in lithium battery (1000mAh)
- Talk time: Up to 4 hours
- Standby time: Up to 15 days

### Compatibility

- Windows, macOS, iOS, Android, and Linux
- Compatible with Zoom, Webex, Skype, Tencent Meeting, Huawei Cloud, and more

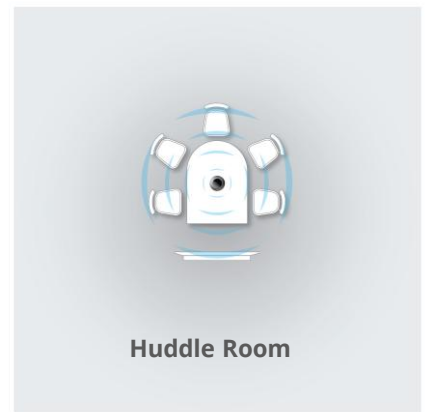

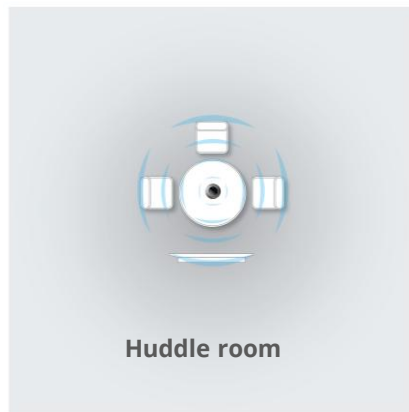

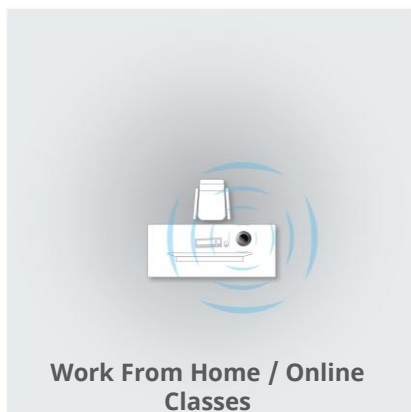

### Design & Usability

- Compact, lightweight, and portable design
- LED indicator for status updates

### Applications

Small meeting rooms (up to 20 square meters), Personal offices, Remote teaching and mobile conferencing
