## PeopleLink UVC 35B

Increase productivity and stay focused wherever you are with PeopleLink UVC 35B. Enhanced with Bluetooth, it can be connected to your PC, tablet, or smartphone and turn any location into a conference room.

UVC 35B is the perfect solution for conference calls with its compact, intuitive design and outstanding sound quality. Thanks to a plug-and-play solution, it can be set up to take calls or stream multimedia within seconds. Simply connect to a mobile device via Bluetooth or to the internet using a USB cable, and you are ready for meetings.

The high-quality audio sound and 360-degree microphone enable everyone to hear and be heard from all angles across the speakerphone. But that's not all—you can also use it to listen to your favorite multimedia with crystal-clear clarity.

UVC 35B lets you multitask on your terms—take the speaker with you, connect via Bluetooth or USB, and have full control over your calls directly from your chosen device. Get empowered and make a difference at the office or on the go.

## Key Features

- Set up a conference call in seconds
- Conference calls via Bluetooth and USB connection
- Great sound for calls and streaming multimedia
- Connects to your PC, Tablet or Smart phone
- Easy to use with dedicated answer/end, volume control, and mute buttons
- HD Voice for conversations in high definition sound quality
- Compact and portable Plug & Play design
